FIREMEN TO CONVENE Chesney, Bodien To Represent D. C.

Daly City Fire Chief A. P. Chesney and Assistant Fire Chief A. J. Bodien were authorized by the council, Monday night, to attend a meeting of the Pacific Coast Fire Chiefs' association in Reno, September 8, 9, and 10.

The local pair will take notes on the proceedings and report their findings back to the other members of the Daly City Fire department.

The principal subject to be discussed at the meeting of fire chiefs from the seven Western states will be the relation of their work to national defense.

Among the speakers will be a battalion chief of the New York Fire department—one of the men sent by Civilian Defense Chief Fiorello La Guardia to London for a five-month observation tour of England's fire defense methods.

Chief Chesney concurred heartily with the expressed purpose of the meeting. "Obviously," he said, "fire fighting is an important part of national defense, especially with the wide use by belligerents of incendiary bombs."

He referred to and expressed his agreement with several recent

Board Will Post Classifications

Following instructions from Brigadier General Joseph O. Donovan, California state director of selective service, Draft Board No. 103 will post the names and classifications of men classified at each Tuesday meeting of the board.

The names will be posted in the basement of the Daly City hall. Names of men who have been reclassified will also be posted.

The sixteenth draft call will take eight men from this area, six whites and two negroes. They will go Wednesday, September 24.

This call will take thirteen from San Mateo and nine from Burlingame.

County WPA Recreation Supervisor Names Mrs. Burton New Director For Daly City Office

Mrs. Marie Burton, for two years a member of the Daly City WPA Recreation department, was appointed, Friday, to the post of local recreation director. She succeeds Bruce Boynton, who takes up duties in defense work at Camp Roberts.

Mrs. Burton was appointed by Arthur Ryan, county recreation supervisor at a meeting of the Daly City recreation committee, Friday.

When the new appointee came to Daly City she was a dramatic teacher. She had been closely associated with the Federal theatre in San Francisco. Since Boynton left Daly City to take charge of Camp Shadowbrook she has been acting recreation director here.

She produced a number of plays in Daly City which received widespread commendation. Her appointment was approved by the Daly City Recreation committee, of which the members are Principal James Ferguson, chairman; Mayor John J. Fahey, Councilman Edmund Cavagnaro, R. L. Crane jr., superintendent of district schools; Mrs. Ann Eason, and Mrs. Maisie Boyle. Co-sponsor's agent is Arthur Bodien.

The appointment of Mrs. Burton is an exemplification of a trend toward women taking over the recreation duties throughout the county. Eighty-five per cent of the recreation directors now in the government project are women.

The fall program, as outlined by Mrs. Burton, is as follows:

The high school gymnasium, with WPA recreation supervision, will be open every day except Saturday and Sunday between 3 and 5 p. m. and between 7 and 10 p. m.

Marchbank park will continue to have its Sunday doubleheader baseball games at 11 a. m. and at 2:30 p. m. The field will be open every day except Monday.

Lincoln Park will also be a supervised center, under the direction of Mrs. Laura Lofink. The park includes a playground for children and tennis courts.

Mrs. Clara Mitchell will be in charge of the recreational activities at Pershing school, which will

Daly City-Colma Lions To Hold "Ladies Night"

With the success of their last "ladies' night" still a bright memory, the Daly City-Colma Lions club plan to hold another such entertainment, tonight, at Hilltop Lodge.

There will be dancing, games, and a general good time for all at the "ladies' night," according to Dale Hovey, member of the committee which has arranged the affair. The other members are H. H. Smith jr., chairman, R. L. Crane jr., and Dr. Ivan T. Budaeff. "Piece de resistance" on the menu will be "chicken in the rough."

Lion club members are looking ahead eagerly to September 28, when they will hold an all-day picnic at Memorial park. Elaborate plans are being made to insure the success of this event. All Lions and their wives and guests are to attend the outing.

Committee in charge of the picnic consists of Bert Meritt, enter-

Legion First Aid Classes Begin Tues.

Under the sponsorship of Daly City Post No. 410, American Legion, classes in first aid, as the first step in creating a functioning Air-Raid Precautions Service in Daly City, will start Tuesday.

Regular Red Cross first aid instructors will conduct the classes, which will be held at Legion hall, 474 San Diego avenue, at 7 p. m. They are open to anyone interested.

According to Arthur Quirnbach, Daly City representative to the county defense council, first aid is but one of the many different kinds of services included in the Air-Raid Precautions Service.

"Every able-bodied man and woman who is willing to give his time and energy in preparing for this work can become an important part of it," Quirnbach said.

Some of those needed will be specialists such as doctors, nurses, firemen, policemen, mechanics, housewreckers, chemists, and so on.

"Sooner or later all workers must receive instruction in protection against high explosive bombs, gas, and in first aid treatment. In due time all of this instruction will be given," he went on.

The standard course in first aid is fifteen sessions, and the ad-

COUNCIL MEETS Hears Reports From Committees

With City Attorney R. A. Rapsy on his vacation, the Daly City council concerned itself chiefly with committee reports and discussion of miscellaneous civic problems at their regular meeting, Monday evening, in the city hall.

The local city officials were sent a blanket invitation to attend the annual convention of the League of California Cities. It is the forty-third annual gathering and will be held at Sacramento, October 13-16.

The invitation was sent by Tom Monk, mayor of Sacramento. The opening meeting will be at the Esquire theatre.

The annual League banquet will be Monday, October 13, at Governor's hall. There will be a floor show staged by the Sacramento Convention bureau.

On Tuesday many of the officials will take a trip to Mother Lode. Headquarters of the meeting will be Hotel Senator. The three days will be crowded with meetings, covering every phase of the problems confronting city officials.

Mayor J. J. Fahey expressed his intention to attend the convention, and the other members of the council will accompany him, if they can arrange it.

The firemen of Company No. 5 firehouse stated in a letter to the council that they had voted unanimously against allowing the Daly City band to use their hall for practice.

The band sent a letter, asking the council to consider their rehearsal hall problem when improvements are made on two of the firehouses with the Fire Bond money. Perhaps, it was suggested, a rehearsal hall could be built into one of the new firehouses.

Both communications were placed on file.

Expense money was voted Fire Chief A. P. Chesney and Arthur Bodien to attend the Pacific Coast Fire Chiefs' association meeting at Reno, September 8, 9, and 10.

Two resolutions introduced by City Engineer R. A. Klassen concerning street work in the vicinity of School and Mission streets were passed. One determined the wage rate of laborers on the job,

East Bay Team Plays Here Sunday

The first "across the bay" baseball team to use Marchbank park, will play there, Sunday.

The Alvin Joseph Motors team, from Hayward, will clash with the Salesian Boys' club, a San Francisco outfit. The game will start at 2:30 p. m. Both are teams which come up to the high standard so far prevalent at the local field. The Alvin Joseph Motors nine is equipped with brand-new uniforms and is known as a flashy team to watch, according to Al Erle, who books the semi-pro games on the Peninsula.

The game at 11 a. m. will find the Daly City Juniors defending the home-town honor. Their opponent has not yet been booked.

At Jefferson Union high school the Colma Merchants will do their stuff at 2:30 p. m. The team they play and the two teams making up the morning game have not yet been booked.

The games will be under the supervision of the Daly City WPA Recreation department.

HIGH SCHOOL

The campus at Jefferson Union high school will be humming with activity next Tuesday morning as high freshmen, sophomores, juniors and seniors report at 8:15 a. m. to run through their new class schedules. In the afternoon, starting at 1 p. m., new freshmen will register and become familiar with their schedules.

Principal James E. Ferguson stressed that every student should make it a point to be present to register the first day of school.

The high school plant has been completely renovated, according to Ferguson, and everything is in A-1 condition to start the new semester on Tuesday.

Faculty changes are few in number this fall. Miss Martha Springer will return to the teaching staff, after a year's leave of absence.

PAROCHIAL SCHOOL

Pupils at Our Lady of Perpetual Help parochial school will return to their lessons one day later than local public school children. They are slated to begin their classwork next Wednesday morning at 9 a. m. All youngsters have been asked to be on hand for sure as regular classes are to be held all day.

Approximately 240 youngsters are enrolled at the parochial school.

Four new sisters have been added to the faculty list. They are Sister Anastasia, Sister Mercedes, Sister Bernerd and Sister John Gabriel.

Principal Sister Superior Leo announced today that the school had been thoroughly cleaned and all was in readiness for the fall term.

OLPH Parish Plans Autumn Festival

One of the big events of Daly City's social season—the bazaar and fall festival sponsored by Our Lady of Perpetual Help church—will occur this year, October 3, 4, and 5, according to an announcement by Father Adrian McKenna.

The many events will be held in the school yard. Friday night there will be an open air dance; Saturday night, a family dinner; Sunday night, grand prizes will be given away.

General chairman is Roy Thompson. As at last year's celebration, held at the same time as this year's, there will be the real carnival atmosphere, with booths, gay crowds of merrymakers, and

Play Two Games At Jeff Diamond

The Colma Merchants ran into a tough time, Sunday, at Jefferson field. When it was all over they had definitely lost a baseball game. San Francisco Chronicle drubbed them 13-4.

Quilici pitched all the way for the Colma boys but the San Francisco batters found his offerings easy picking. He was touched for 18 hits. Colma Merchants made nine.

GOLDEN GATE U C T DEFEATS PAPENHAUSEN

Golden Gate U. C. T. filled in for the missing Belmont Merchants at Marchbank field, Sunday, and defeated Papenhausen Hardware 6-5 in a seven inning game.

Golden Gate had already played at the Jefferson Union high school diamond, beating Arc Electric 2-1. Belmont Merchants, scheduled to play Papenhausen, did not appear.

Toomey pitched for the winners, allowing only five bingles. Hurler for Papenhausen was Ferroni, who was touched for six hits.

A three-bagger by Golden Gate's second baseman, Spencer, won the game in the seventh. He knocked in two runs. The winners got off to a blazing start with three markers in the first inning. A triple by left-fielder Correis was a big help.

Drill Team Seeks N. S. G. W. Honors

The crack drum corps of El Carmelo Parlor No. 256, Native Sons of the Golden West, will vie for honors at the N. S. G. W. convention in Oakland, September 7-9.

They will participate in the parade. Having captured second prize at the Napa county fair the local parlor hopes to be successful in bringing to Daly City first prize.

Drum corps manager, Lou Zerga, has been drilling the boys once a week, and he maintains that a vast improvement is shown since their last contest.

On September 9 one hundred members of the parlor and their wives plan to journey to Oakland to see the parade and the many other functions to be staged by the convention committee.

Governor Gets Key

A floral key and a big smile from Consuelo Young, charming Peninsula miss, are Governor Culbert L. Olson's invitations to the San Mateo County Fiesta which opens September 18 at Bay Meadows.

Meet Any Crickets?

If you think that all crickets do is sit around on hearths you'll probably be convinced otherwise, these days.

San Mateo county is playing host to a lot of these little fellows, due to a sudden "hatching out" from the earth of previously small and inoffensive eggs that no one took any notice of. The infestation is being watched by County Agricultural Commissioner Max J. Leonard, but the crickets are so far no menace to county crops.

Crickets usually hang around in cities, anyway, unlike the grasshopper, who likes the country better.

County Budget

Allowances of more than fifty county departments and their divisions; commissions, boards, courts, and other offices and functions for this fiscal year are in excess of 1940-41 expenditures, analysis of the record \$2,451,621 budget adopted by the San Mateo county supervisors for general governmental purposes revealed, last week.

In less than half a dozen cases are allowances lower than last year's expenditures.

More than forty per cent of the budget will go to finance the various functions of Dr. Charles Gans' health and welfare department.

Allowed for the activities of this dual office was a total \$1,162,903, exclusive of the \$35,000 purchase price of Canyon sanitarium, set up in a separate land acquisition fund. Last year it spent \$1068,072, according to the budget report of the controller's office.

The grand total of the general county revenue budget (\$2,876,741) and special districts revenue budgets (\$792,066) is \$3,668,807, of which \$2,022,802 will be raised by taxes.

The entire museum will be thrown open to the exhibition, allowing for the broadest representation of art produced in this region during the past year. This year many artists from other parts of the country will be represented as well. The exhibition will open officially with a special preview on Wednesday, September 10, at 8:30 a. m.

Although the manufacture of **FIREWORKS** has practically ceased because of national defense needs, California State Fair visitors will see their greatest pyrotechnical displays during the ten nights of the eighty-seventh annual exposition, August 29 through September 7, at Sacramento.

Pyrotechnical pieces, which will be presented each evening at the beginning of the night show, will show tanks and soldiers in battle, the Statue of Liberty, Washington, President Roosevelt, Governor Olson and a panorama of early California scenes.

Defense **SAVINGS STAMPS** soon will be on sale in retail stores throughout the country.

Secretary Morgenthau announced the extension of Defense Savings Stamps sales to retail outlets everywhere after a meeting at the Treasury department, yesterday, when executives of associations representing more than a million stores pledged immediate participation of their members in the Defense Savings program. Stamps will go on sale very shortly in department stores, grocery, drug, variety, furniture, hardware, and all other types of retail outlets.

"Hellzapoppin"
To Open In S. F.
Sunday Evening

"Hellzapoppin," the Olsen and Johnson screamlined musical revue which has been doubling up Broadway with laughter for three full years, opens a limited engagement at the Curran theatre, Sunday evening, August 31.

"Hellzapoppin" is more than just a title. Actually, it is an apt one-word description of the rowdiest and most scatterbrained revue in the history of the American theatre. Where other musicals may seek to bedazzle the customers with elaborate and intricate scenes, "Hellzapoppin" is a show filled with mad monkeyshines that spill off the stage into the auditorium—making the boxes and aisles as much a part of the production as that section of the theatre behind the footlights.

"Hellzapoppin" has broken several of the traditions of the theatre. It begins before it is supposed to and it does not end when it is expected to; it enlists the audience as its conspirators and the patrons participate in the mad goings-on; there is dancing in the aisles as well as on the stage. It is funny, irreverent, waggish, and at times verges on the fringe of nonsensical lunacy. It holds the record for consecutive performances of any musical on Broadway, and it has played to more people and grossed more money, both in New York and on the road, than any other American revue.

The cast is headed by Billy House and Eddie Garr, veteran comedians and zanies of the first order. To support them has been gathered a company of one hundred skilled performers, clowns and chorus girls.

Legion Asks Reverence For Song

There is only one song—"The Star Spangled Banner"—that is entitled to be specially honored by patriotic Americans. This is the reminder to Daly City people by the Daly City Post No. 410, American Legion.

At the Department convention, held in Sacramento recently, a resolution was passed asking the American Legion to bring this fact to the public's attention. It was passed with the realization that "The Star Spangled Banner" is losing its prominence as the National Anthem, and that persons are inclined to stand "for other American songs, which, although popular, are not entitled to such honor."

Campus Fashions

Summer has come and gone and everyone is getting anxious to return to the old school house. Vacations are fun, but the thrill of packed grandstands, favorite football heroes racing home for a touchdown for the old alma mater, and the hustle and bustle of school life are the "real thing."

Paramount in the last week rush for opening day is the thought of your new campus outfit.

A real "must" in any school girl's wardrobe is a "semester to semester" suit, designed for campus living. All stores are now featuring these smart sets in two or three pieces. They're made to fit the high school girl's pocket-book, too.

Homespun plaids in plum are simply "tops" when they are trimmed in blue. They come styled with high button neck lines and peter pan collars. This makes them fetching with or without a blouse.

Another on our hit parade of suits are the Herringbone tweeds. The ever-popular oatmeal tweed is still prominent in the high school girl's fashion parade. Running a close second is the air blue wool suit with pink roller and sweater.

The beauty of having a campus suit is that now-a-days it's chic to mix and match suits for that snappy appearance. One good suit and several skirts make four or five different outfits. Try 'em and see!

Pershing P. T. A. To Hold First Meet

Despite the fact that it faces the problem of selecting a new president, General Pershing P. T. A. has already launched its fall program with enthusiasm. Friday morning, the executive board met at the home of Mrs. Virginia Davidson, 581 Hanover street. Plans were made for the first business session of the fall term, Tuesday, September 2, at 1:30 p. m. at Pershing school.

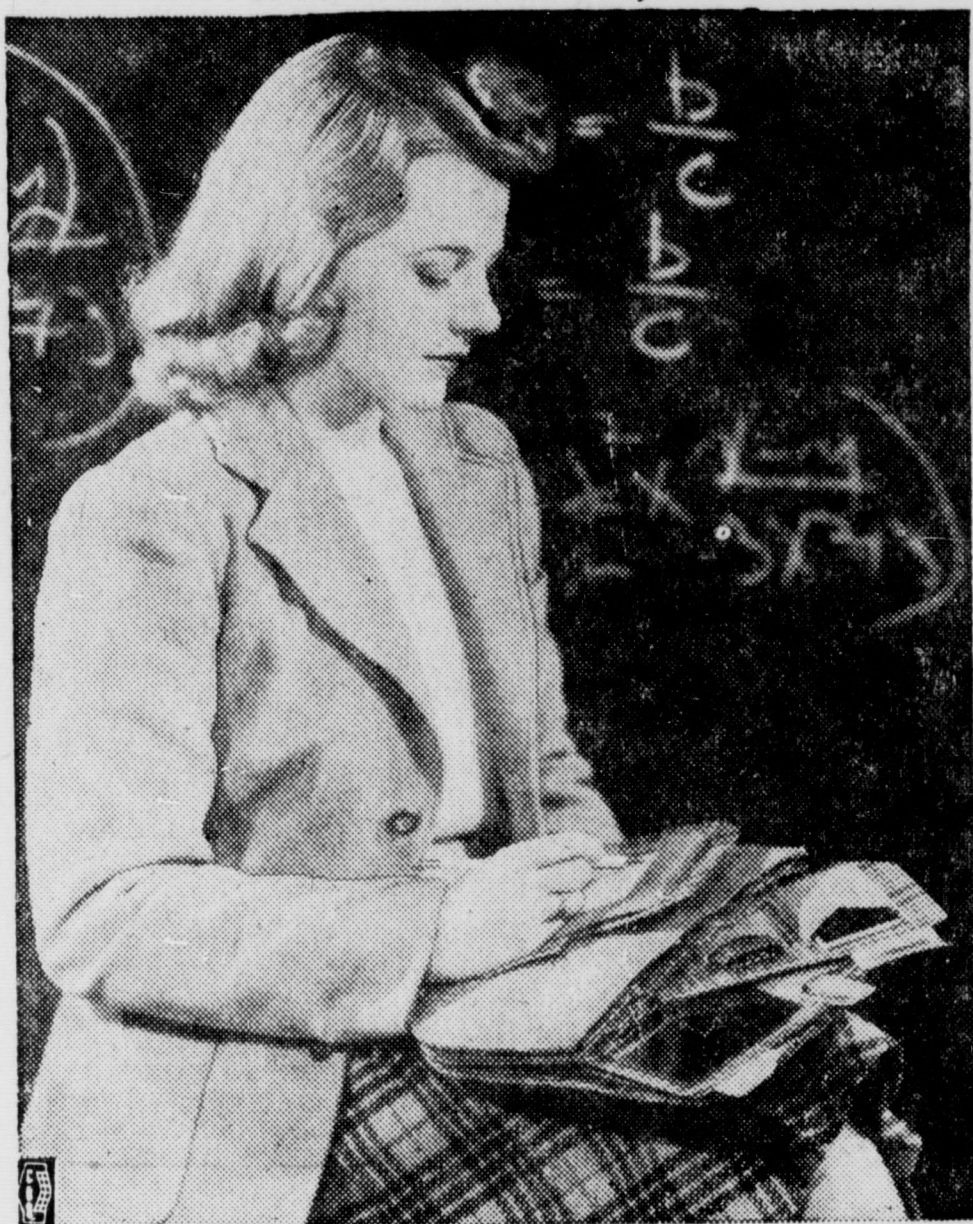

The board accepted the resignation of Mrs. Mildred Rasor, who was to have served this year as president. She is moving away from Daly City in the near future. Mrs. Ruth Canier, first vice-president, will open next Tuesday's meeting.

Two other resignations were accepted. Mrs. Olga Bruch resigned as treasurer; the office will be filled by Mrs. Quickert. Mrs. Caroline Conroy, who was to have been auditor this term, is moving to San Carlos. Mrs. Ann Eason is to be auditor this term.

At Tuesday's meeting the board will submit the program for the year for the unit's approval. Budget Chairman Mrs. Marge Calvin will present the budget.

On hand to greet the new unit

Smart Student Styles

A PLACE FOR EVERYTHING and everything in its place sums up the ideal purse for students, which CBS star Pat Ryan of the "Claudia and David" series carries here. Designed by Frilo of red corduroy and plaid wool, there are more than a dozen compartments for comb, keys, large mirror, address book, change purse, pencils and classroom notebook. Pat also mixes her suits, wearing the beige and brown plaid skirt of one with camel's hair jacket of another and bright yellow sweater. (Talk o' the Teens Clothes from B. Altman).

London Police
Each policeman in London hereafter will cost the city \$1,280 a year.

officers and members will be R. L. Crane jr., district superintendent of schools.

Mrs. Sara Nordgren will be in charge of refreshments to be served during the social period following the business session.

Although regular meetings of the sewing club of General Pershing P. T. A. have not been resumed, materials for the ladies to work on will be available for selection at Tuesday's meetings. Regular sewing sessions will be held, soon.

TROOP 148 HONORS THREE BOY SCOUTS

Three boy scouts of Troop 148 were honored at a farewell party given by their scoutmaster, Mel Hansen, last Monday evening. The troop helped in the celebration and wished the boys a pleasant journey.

The affair was held at No. 5 firehouse. Games were played and refreshments enjoyed by eighteen boys.

Mervin Liebscher, junior assistant scoutmaster, and his brother Gordon, are moving to Santa Rosa. Jack Gamberg, assistant patrol leader, is moving to Redwood City.

SHIP NO. 1 LOSES YEOMAN

Members of Sea Scout Ship No. 1 hated to see Roland Vergagni, yeoman, leave the ship to join Uncle Sam's navy but they all agreed, however, that their "Uncle" was getting a first class yeoman.

Vergagni had been in charge of the ship's log and records for the past year. At the present time he is at the U. S. Naval Training station at San Diego studying to be a yeoman. After being there for only a few months he was appointed office boy for one of the chaplains.

Mel Hansen, skipper of the ship, recommended Vergagni to the navy and stated his qualifications, which were "excellent," as the skipper summed them up.

Stanley Nelson has been appointed yeoman of the ship by Skipper Hansen for the coming year.

Auxiliary Installs New Officers

Legion hall was the scene of an impressive installation ceremony, last Wednesday evening, as new officers for Daly City Unit No. 410, American Legion auxiliary, officially took over their duties.

Mrs. Alice Reilly, Twenty-sixth district president, was installing officer, assisted by the ritualistic team of the district. Inducted to positions of leadership were: Mrs. Naomi Murphy, president; Mrs. Anne Welsh, first vice-president; Mrs. Kathleen Matzek, second vice-president; Mrs. Margaret Kenney, secretary; Mrs. M a r c e Trier, treasurer; Mrs. Jerry Glanville, chaplain; Mrs. Nora Clifton, historian; Mrs. Reilly, sergeant-at-arms; Mrs. Mary Crane, marshal; Mrs. Lottie Chapman, Mrs. Harriet Olson, Mrs. Hilda Prziborski, executive committee.

Since a number of the officers to be installed were also members of the district ritualistic team, several proxies were used. Mrs. Lyla Eldrup proxied for both secretary and treasurer; Mrs. Catherine Foreman, for sergeant-at-arms; Miss Betty Tallmadge, for historian.

Mrs. Irene Signarowitz, district vice-president, assisted the installing officer as honorary sergeant-at-arms.

Occupying seats of honor were the district president, the district vice-president, and Arthur Quirmbach, commander of Daly City Post No. 410, American Legion. Several units and posts from Peninsula cities were represented at the meeting.

On behalf of Daly City unit, District President Reilly presented the past president's emblem to Mrs. Vivian Pahlka. Mrs. Pahlka, in turn, gave gifts to each of the officers who had served with her during her term of office.

At the close of the installation rites, refreshments were served. R. L. Crane jr., member of the local post, received a huge four-layer cake made by Mrs. Pahlka to express the appreciation of the unit for some work he had done for them.

Daly City unit will hold their regular monthly whist party next Friday afternoon, September 5, at Legion hall. Playing will begin at 2 p. m.; the public is invited.

OPERA NOTABLES STUDY NEW DECORATING GUIDE

Lucrezia Bori, former Metropolitan Opera Star and Edward Johnson, present Manager of the Opera Association, study the two square-foot Color Guide compiled by Sherwin-Williams, sponsors of the "Metropolitan Opera Auditions."

Huge Color-Styling Guide Now Available Here

Local residents who are planning to re-decorate may now borrow a huge decorating guide which shows hundreds of America's most beautiful rooms and homes in their actual colors, according to A. L. Stockton Lumber company, local distributor of Sherwin-Williams Paints. The guide, which has pages over two-square feet in area, contains color-photos of scores of beautifully-painted living-rooms, dining-rooms, kitchen-

ens, bed-rooms and playrooms, as well as dozens of color-styled home exteriors.

Compiled by the color-experts of Sherwin-Williams, nationally-known paint manufacturers, the decorating guide is called the "World's Largest Color Book," and was designed to show, before the actual painting, how a given color-scheme will look in a given room. The local paint man will lend the guide to local residents

at no cost, so that they may learn at leisure how the magic of color can transform their own rooms and homes.

The huge color-portfolio is said to show how paint colors can make kitchens seem cooler, bathrooms warmer, dens cozier, living rooms restful, dining rooms formal, playrooms gay. Such emotional effects of color can be easily achieved, the experts say, and can now be judged in advance in the pages of the new guide.

Night school sessions will not begin until the second week in September. Details and opening night will be announced in next week's Record.

Six-Year-old Meets With Accident Here

Six-year-old Leroy Gross, San Francisco, was on a visit to his grandmother in Colma, Monday, when he was struck by a truck driven by William Pruitt, of the Wizard Carpet company.

Yes, fine home furnishings arranged for comfortable, luxurious living, yet within the price range of the average income—that in a nut shell is what Metropolitan Appliance and Furniture company, 6389 Mission street, can do for you.

Pictured here is the home of Mr. and Mrs. B. L. Meritt, 244 Hillside boulevard, recently furnished according to a free interior decorating plan worked out by Metropolitan. Eighteenth century Duncan Phyfe is the period theme with a beautiful Chippendale dining set. Deep Axminster floral design rugs furnish floor covering. Rich drapes, brilliant hurricane lamps, and a fitting picture, the well-known "Seven Belle," add detailed beauty to the Meritt home.

The accident occurred at 4:15 p. m. Pruitt immediately took Leroy to Junipero Serra hospital. The child may have fractures of the left knee and right ankle. This will be determined by x-ray.

He referred to the decline in personnel, and urged the councilmen to read a copy of a South San Francisco ordinance creating a recreation commission.
